

Red WINE

At Quady North, we specialize in small lots of single vineyard Syrah, Viognier and Cabernet Franc from our estate and other carefully selected Southern Oregon vineyards. We are committed to minimal handling during all stage of the process in order to maintain the integrity of the wine and to better connect the consumer with the terroir of Southern Oregon. www.quadynorth.com

White WINE

South Stage Cellars is located just twenty minutes from both Ashland and Medford in historic Jacksonville, a beautifully preserved gold rush town whose brick buildings are now home to fine restaurants, art galleries, boutiques, an other unique shops. South Stage Cellars is Oregon's only vineyard-based tasting room. We proudly feature our own estate wines as well as wines made by over a dozen of Oregon's most prestigious winemakers – all made exclusively from grapes we grow. We offer space for intimate gatherings and a serene European-style wine garden. Our friendly and knowledgeable staff serves wine by the flight or glass as well as light bites. www.southstagecellars.com

Specialty WINE

Terry and Sue Brandborg relocated to Elkton in 2002 having learned that Pinot Noir, Riesling and Gewurztraminer had been grown there since 1972. Prior to that, they had been making wine in the San Francisco Bay area, sourcing grapes from the Anderson Valley in Mendocino, well known for the same varieties. The winery has grown from 2000 cases in 2002 to 10,000 cases annually and the wine are now disturbed in 20 states nationally. The winery and welcoming tasting room are located in Elkton on Highway 38, the most scenic route to the central Oregon coast. Elkton achieved AVA recognition in 2013. We were proud to be named the 2015 Oregon Winery of the Year by Wine Press Northwest. www.brandborgwine.com
